# Patrick Worked Miracles

**B**Y this time, Patrick had many followers. One of the first was Benignus, who was the son of a chieftain and who became his successor. Others were St. Auxilius, St. Iserninus, and St. Fiacc, the son of Chief Brehom. These zealous priests brought the life and doctrine of Christ to all.

Besides the preaching of Patrick and his disciples, there were many miracles: the dead were raised, the sick were healed, the lame were cured, and many wells to this day named after Patrick claim a miraculous flow of water.

Patrick traveled all over Ireland, staying in a place long enough to begin the faith and then he would move on.
